

Botanical Impressions

Drawing from native plants

Join Dr Virginia Keft to experiment with drawing from Australian native plants. Together, we think about how plants can tell stories about seasons and places.

Using simple drawing materials, you will be guided through activities using line, texture and shape through plants and natural forms. No prior art experience is needed.

Friday 16 October 2026

10:30am – 12:30pm

Rockdale Library

444-446 Princes Highway, Rockdale

Phone: 02 9562 1821

Registration is essential.
